

Statement of Aims, Principles and Practice

At British Guardianship, our mission is to provide exceptional care, support, and guidance to international students studying in the UK, ensuring their safety, wellbeing, and academic success while away from home.

Our Aims

- To offer a professional and compassionate guardianship service that prioritises the welfare and development of each student.
- To build strong, trusting relationships with students, parents, schools, and host families.
- To ensure compliance with all relevant safeguarding standards and legal requirements, including those set by AEGIS.

Our Principles

- **Integrity and Transparency:** We communicate openly and honestly with all stakeholders, ensuring that our services are clearly defined and accurately represented.
- **Student-Centred Care:** Every decision we make is guided by the best interests of the student, promoting their emotional, academic, and social wellbeing.
- **Cultural Sensitivity:** We respect and celebrate the diverse backgrounds of our students, fostering an inclusive and supportive environment.
- **Safeguarding and Safety:** We maintain rigorous safeguarding policies and procedures to protect students at all times.

Our Practice

- We provide 24/7 support to students and act as a reliable point of contact for schools and families.
- We carefully select and monitor host families to ensure safe, comfortable, and nurturing accommodation.
- We carry out regular welfare check-ins through in-person visits, phone calls, or video calls, tailored to each student's needs.
- We offer clear, accurate, and realistic information about our services and accommodation in all promotional materials and communications.
- All accommodation standards and services offered are described transparently to parents, students, and partners to ensure expectations are accurate and aligned with AEGIS guidance.

This statement is publicly available and reflects our commitment to maintaining the highest standards of guardianship in line with AEGIS Quality Standards.
